

NORTHSIDE CHRISTIAN SCHOOL

WINNING OUR WORLD ONE STUDENT, ONE FAMILY, ONE COMMUNITY AT A TIME

Admission Policies & Procedures

Northside Christian School seeks to admit students whose parents desire a quality Christian education for their child. The curriculum is planned to meet the needs of the average to above average student. We accept students with a composite stanine score of 5 or higher (on the most recent achievement test) with no stanine lower than 4. The school is not equipped to meet the needs of students with excessive learning difficulties nor those with extensive social problems. All new students are considered on probation (academic/social) for the first quarter. *Before making application, please review your child's academic records in light of the above criteria. If you need clarification, please contact the admission's office.*

The enrollment process consists of completing the paperwork listed below and a personal interview with the appropriate principal.
