

NORTHSIDE CHRISTIAN SCHOOL
COMMUNITY SERVICE PLAN

Name: _____

Date: _____

Community service is a vital component of the total educational experience at Northside Christian High School. Our purpose is to encourage our students to develop a servant's heart and to appreciate the community and its needs. Therefore, to graduate from Northside Christian School, to qualify for a Bright Futures award, as well as to be eligible for other service-oriented awards, a student must complete at least 75 hours of community service over the course of their high school career. In an effort to expose our students to various learning opportunities, to have our students develop community contacts, and for our students to be involved in the community with a spirit of "doing for others", the student will need to develop and implement a community service plan. Identification of a community service that interests the student, development of a plan of action, and documentation of involvement are aspects of the community service plan. Service projects that meet the requirements do not need prior approval from the guidance office and the service may be completed independent of the guidance counselor. If the proposed service project does not meet the requirements, it may not be counted toward high school graduation and/ or Bright Futures. If you have a question, please contact the guidance office for assistance (Connie.Mullholand@nck12.com).

What Hours May Not Be Counted Toward Your Requirement?

- Court mandated community service
- Any work resulting in a classroom grade
- Any work for which the student is paid
- Hours logged at "For Profit" organizations

What Hours May Be Counted Toward Your Requirement?

- Service logged at any of the "agencies" listed on the attached sheet
- Service at an agency or organization that relates to meeting the needs of the community (benevolence, housing, etc.)

With this in mind, please complete the following:

What agency are you volunteering for? _____

What is the phone number of the agency? _____ Contact Name: _____

What are your goals? (What do you hope to accomplish?) _____
